Sir,

I write to state that the Town Municipal Council, Kolar, have resolved at their meeting held on 30th April 1951 to meet the cost of acquisition of Rs 6325/- for acquiring sites for the extension of vegetable market. There is urgent necessity to acquire the sites in question to extend the present vegetable market and to construct fresh stalls, as the existing number of stalls is too inadequate. The cost of acquisition has not been provided in the current years budget and has to be met out of closing balance. I request you kindly to obtain early sanction of Government to the resolution of the council to spend Rs 6325/- towards acquisition charges from the closing balance.

Extension of the Vegetable market in Kolar

The explanation of Mr K S Chandrasekhar is given below. It is stated that the file was received by him on 11-1-52 and was passed on for distribution on 17-1-52.

The delay is attributed to the intervening holidays.

21/1/52

The delay is said to be due to 2 reasons

1. because he is given his work of 4 hrs and 2. because I sent him on 11-1-52 to ask him to attend to his work.

As regards the first the circumstances under which a graduate is given his work are not known. But, for a prompt trial his work is not heavy.

As regards the 2nd, it is a fact that I made enquiries with all the 2nd Division clerks as to the no of records ^{with them} ~~submitted~~. This must be admitted that there are many papers with him. I told him to see that he gives brief returns. This does not mean that papers for - queries about others should be kept back. This must be known which has to be attended to first and which has to be attended to later. In fact an account of a graduate doing 2nd Division work. This branch has lost the services of 1st Division clerk for a first Division work. Even the

I have been doing file registering and abstracting work of all the Town and Minor Municipalities. Formerly a clerk used to be exclusively for the above work. Now I have been given Sns work of 4 sts (Shumoga, Trunkur, Guntaldung and Guekmagahor) in addition.

On Friday 11-1-52 the Asst Secy called upon me and instructed me to put up reminders to the Sns files. Accordingly I took up Sns work during the period. In addition to this there were two and a half days of holidays from 12-1-52 to 14-1-52. In order to attend to Sns work the file registering of urgent nature were attended and the rest were attended to in the chronological order. Hence the above delay was caused.

The file in question was received on 11-1-52.

To be used by the _____ Department of _____, _____

The clerk admits that he is a
bit slow in his work. The work
could be adjusted if only he
worked a little outside office hours
as some of the officials do.
The delay may kindly be excused
until a later time.
